Dear Representative Hughes,

My name is Grant Smith and I live in Indianapolis, Indiana. My parents own a home and farm property in Michigan and my family visits them frequently.

I enjoy hunting whitetail deer and turkey, but the extremely high out of state hunting fees prevent me from obtaining a license each year. After reviewing proposed HB-4534, I would support this HB and would also make an addition that allows relatives of property owners to be allowed to purchase reduced priced hunting licenses for use on "family owned" private property.

Thank you for your consideration.

Respectfully,

Grant Smith
